

2017 CEQA Essentials: An Introduction & Intermediate-Level Training Workshop

The Association of Environmental Professionals (AEP) invites you to register for the CEQA Essentials Workshop. This workshop provides a basic understanding of the fundamentals of the California Environmental Quality Act and the State Guidelines, and includes intermediate-level practice pointers and case studies. This workshop features a curriculum developed specifically for people involved in the environmental review process, including consultants, regulators, applicants, or industry professionals, and will benefit those new to the field as well as mid-level practicing professionals (AICP-CM credits pending).

Topics will include:

- Understanding the Statute and Guidelines
- Determining the Appropriate Document – Exemptions, Negative Declarations, EIRs
- Responsibilities – Lead, Responsible, Trustee agencies and the role of the Consultant
- Adequacy of analysis and mitigation
- Findings
- Notices
